

Paula Deen's Diabetes Leaves Her Amid Recent Controversy

SAVANNAH, GA - Food Network star Paula Deen's [diabetes](#) made a stunning announcement yesterday: "I will be leaving Paula indefinitely. I do not want to be associated with someone that uses racial slurs on a daily basis." Her diabetes went on to say, "This may come as a shock to some of you because Paula and I seem like a match made in heaven: fatty high-calorie foods, sedentary life style, etcetera. But I do not tolerate any form of discrimination." Diabetes did not rule out reconciliation. [Heart disease](#) and [obstructive sleep apnea](#) could not be reached for comment.
