

Medical Specialty Sock Memes, Part 1

Need help differentiating medical specialties? In addition to organ systems, board scores, salaries, lifestyle and [GOT characters](#), we can now add socks to the growing list of data points we use as part of our evidenced-based approach to stereotyping.

DERMATOLOGY

Socks don't go with my Louboutins.

EMERGENCY MEDICINE

It's a sock... but just to be sure...

FAMILY MEDICINE

Unable to afford new socks.

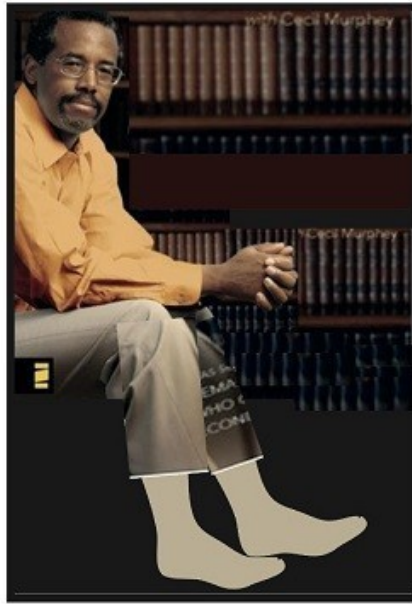

GERIATRICS

Keep it-'em up.

NEUROLOGY

Identify the lesion.

NEUROSURGERY

Gifted hands...and feet! I am just so darn gifted.

OB/GYN

Pioneers of the knee-high rain boot.

OPHTHALMOLOGY

Do my socks match?
