

Medical Cartoons That Are Just Fantastic

Meet Dr. Eugene Han and check out his site www.medcartoons.com for way more!

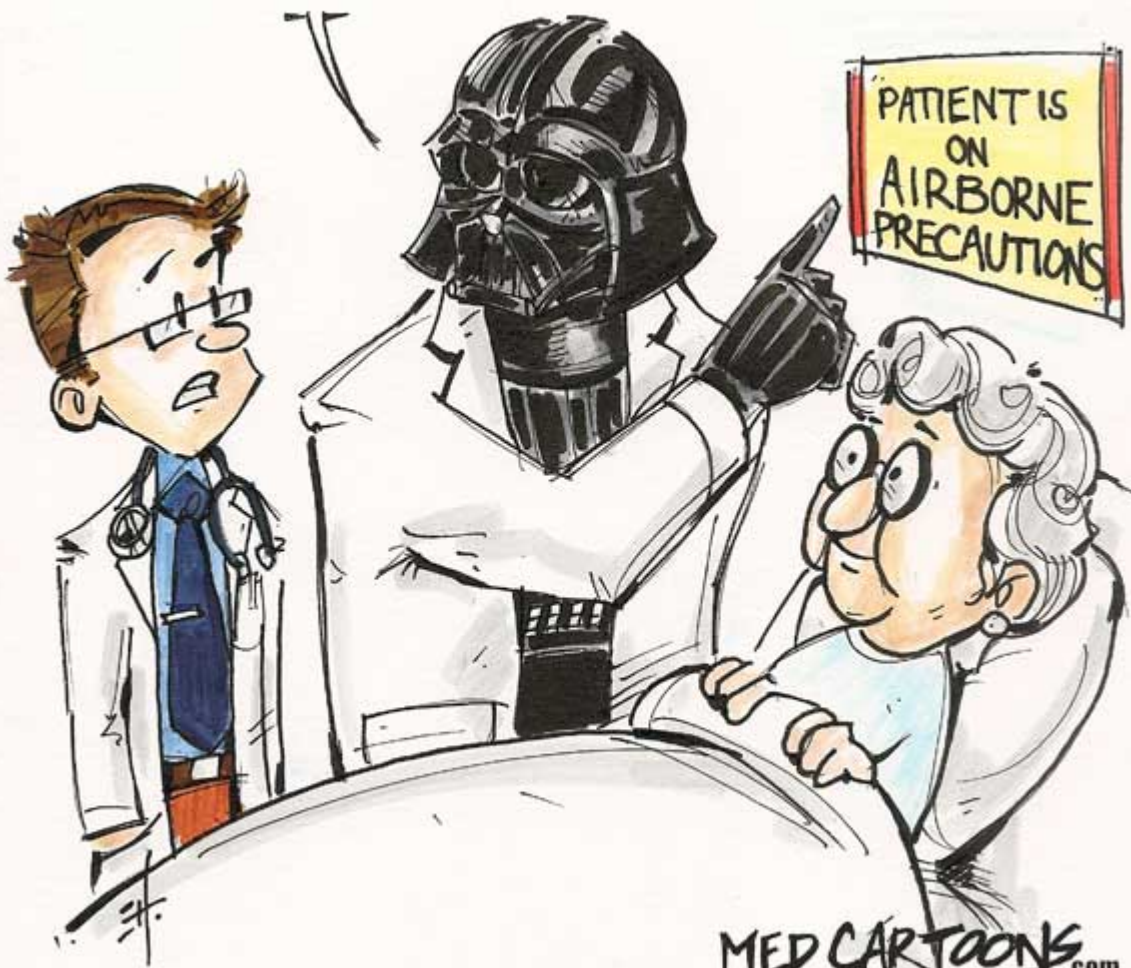

Eugene Han grew up on a well-balanced diet of Calvin & Hobbes, Ninja Turtles, Batman, Star Wars, and Star Trek, and has been drawing since he was a little kid. He started drawing medical cartoons during his years in medical school, usually when he should have been studying. He studied biology at Johns Hopkins University, graduated from Rutgers New Jersey Medical School, completed his residency in internal medicine at Thomas Jefferson University in Philadelphia, and currently lives in Brooklyn where he is undergoing his fellowship training in gastroenterology and hepatology at the State University of New York Downstate.
