

# Video Gamer Unlocks Da Vinci on Original Mortal Kombat

Nearly 25 years after its creation, professional video gamer Prasanth Malhotra has unearthed a never-before-seen character in the original Mortal Kombat: [the Da Vinci surgical robot](#). According to Malhotra, to unlock [Da Vinci](#) you must slowly but precisely earn a Double Flawless Victory and perform a Fatality during the Pit stage with a flying object in the background.

"Oh man, I want Reptile, not freaking Da Vinci..."

"This will be a slow, painfully slow but precise death..."
