

Gerbil in Colon Nervously Awaits Bowel Prep Tsunami

“Ugh, I hate GoLYTELY tsunamis”

SOME DUDE’S COLON - Gerald the Gerbil just received the bad news that his whereabouts have been discovered, and now he nervously awaits the imminent rush of polyethylene glycol as a bowel prep tsunami washes him and any other fecal matter away into the toilet that most certainly awaits them at the end of this [disgusting intestinal water slide](#). Gerald the Gerbil is asking that you keep him in his [thoughts and prayers](#) and, more importantly, wish him strength, that his swimming skills may withstand the turbulent, hyperosmotic surge and rip currents of 1 gallon of [GoLYTELY](#).
